LOTE4Kids – Changing the Text Size and Visual Settings of the Website

This fact sheet will help you navigate through the different ways that you can manipulate the website text size and visual preferences. When you move to different webpages on the site, your visual preferences and text size will reset.
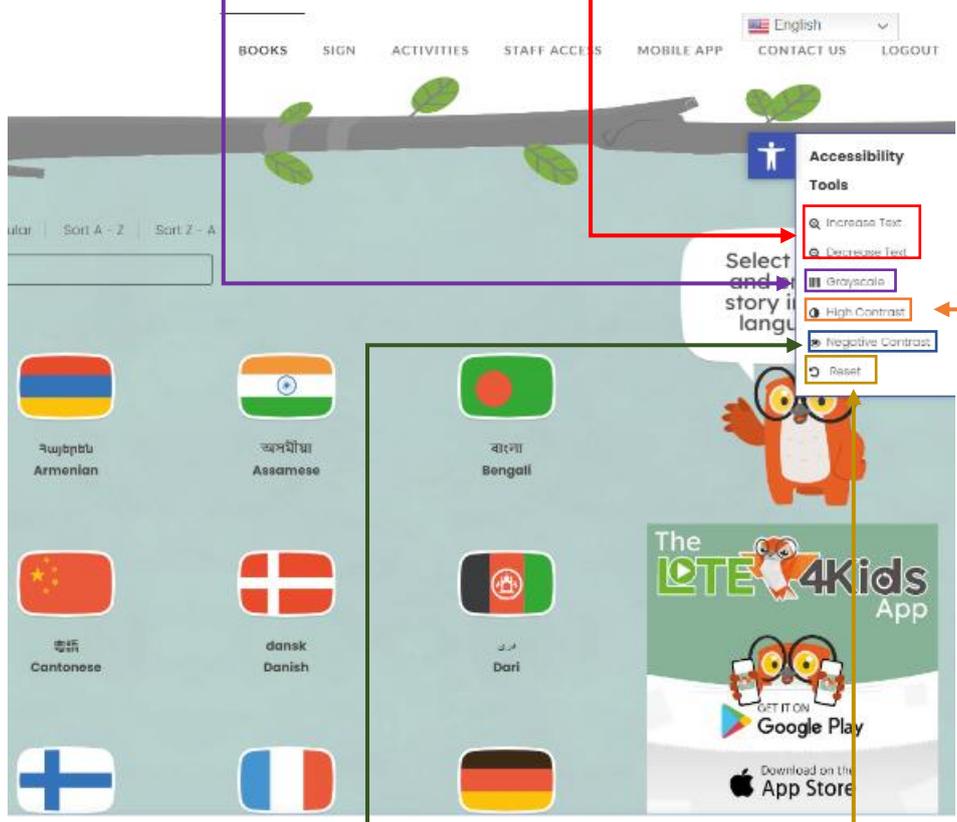

1. Click the figure with a blue background.

2. A menu will drop down with several options.

Springvale Library
Springvale Community Hub,
5 Hillcrest Grove, Springvale
Dandenong Library
225 Lonsdale Street, Dandenong

1300 630 920
CGDlibraries@cgd.vic.gov.au
libraries.greaterdandenong.vic.gov.au

Greyscale will change the screen to be in shades of grey.
To change it back, press the **Greyscale** button again.

To change the size of the text, click the **Decrease Text** or **Increase Text** button.

The **High Contrast** button will change most of the text to white, blue or yellow and make the background black.
To change it back, press the **High Contrast** button again.

The **Negative Contrast** button will change the text to white or yellow and make the background black.
To change it back, press the **Negative Contrast** button again.

The **Reset** button will change the website back to its standard format.
