

LOTE4Kids – Downloading Games

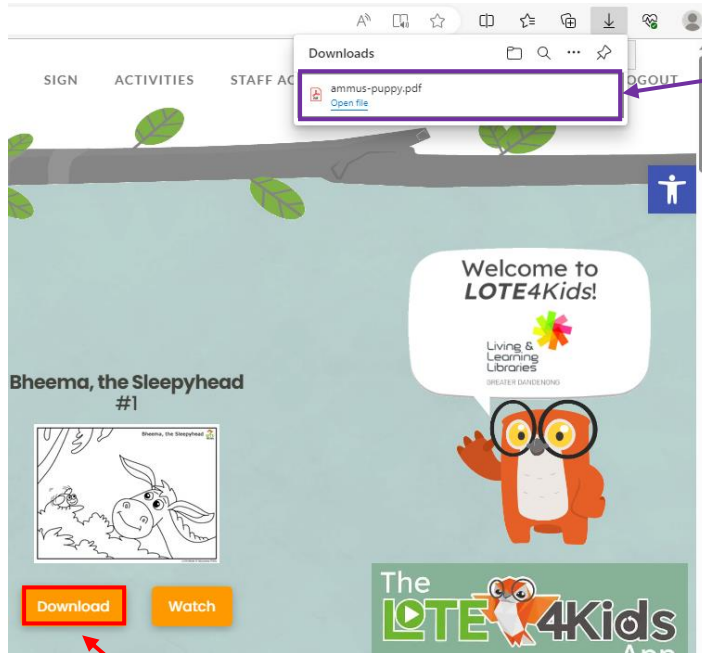

This fact sheet will help you access games that can be downloaded to your computer from LOTE4Kids.

Important note: Games cannot be accessed from the LOTE4KIDS APP.

1. Click on the Activities button.
Open the page with the games

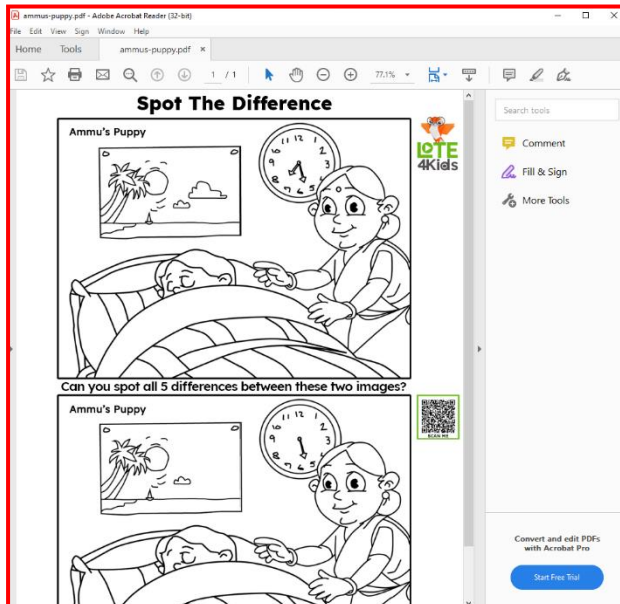

2. Some of the games can be downloaded to your computer so you can access them without the internet. Click on **Download** and you will be taken to the games download page.

4. Click to open the file.

3. Click the Download button and the game will download to your computer.

5. This is an example of what the downloaded game may look like.
