

Apple ID - Creating on a Desktop

1. Open your Internet browser

You can use any Internet Browser that you prefer.

Google Chrome

Microsoft Edge/Internet Explorer

Firefox

Safari

2. Finding the website

In the browser location bar, type 'appleid.apple.com' and press **Enter**.

Then, click on 'Create Your Apple ID'.

3. Completing the 'Create Your Apple ID' registration form

Your Apple ID can be used in any Internet Browser you prefer.

One Apple ID is all you need to access all Apple services.

You already have an Apple ID? [Find it here >](#)
