iPad - Turning on Automatic Updates

1. Turn on automatic updates (optional)

Keep Your iPad Up to Date

Get the latest features, security, and improvements by updating iOS automatically.

You will receive a notification before updates are installed, and can choose other options in Settings.

Continue

Your iPad will automatically install updates.

a) **Tap** *'Continue'.*

2. Set up Location Services (optional)

Location Services

Location Services allows Maps and other apps and services like Find My to gather and use data indicating your approximate location.

About Location Services & Privacy

Enable Location Services

Disable Location Services

To learn more about Location Services, **tap** *'About Location Services & Privacy'.*

To enable location services, **tap** *'Enable Location Services'.*

Otherwise, **tap** *'Disable Location Services'.*

3. Set up Apple Pay (optional)

Apple pay enables you to save your card details to send money to friends and to make secure purchases in apps and on the web.

For further instructions, refer to the '*How to Set Up Apple Pay*' factsheet.

4. Set up Apple Keychain (optional)

iCloud Keychain

Keep the passwords and credit card information you save secure and up to date on the devices you approve.

The information in your keychain is encrypted and cannot be read by Apple.

About iCloud Keychain & Privacy

Continue

Don't use iCloud Keychain

> iCloud Keychain securely stores passwords and credit card information on your iPad.

> To learn more about iCloud Keychain, **tap** *'About iCloud Keychain & Privacy'*.

> To set up iCloud Keychain, **tap** *'Continue'*.
>
> Otherwise, **tap** *'Don't use iCloud Keychain'*.

5. Set up Siri (optional)

Siri

Siri helps you get things done just by asking. Siri can even make suggestions before you ask in apps, and keyboards.

To use Siri, press and hold the side button or say "Hey Siri" anytime.

Apple stores transcripts of your interactions with Siri and may review a subset of these transcripts. Siri also sends information like your voice input, Hey Siri setup, contacts, and location to Apple to process your request. Data is not associated with your Apple ID. About Siri...

Continue

Set Up Later in Settings

> Siri enables you to communicate with your phone by talking to it and asking it questions.

> To set up Siri, **tap** *'Continue'*.
>
> Otherwise, **tap** *'Set Up Later in Settings'*.

Say "Hey Siri" into your iPad

> a) **Say** the words in quotation marks out loud.
